## **Security Alert – Protect Yourself from Fraudulent SMS Messages**

We have been alerted by the Bank of Mauritius that some suspicious SMS messages are in circulation and targeting individuals. These messages contain a malicious link that redirects to a fraudulent website designed to collect usernames, passwords and OTPs information from clients

- Please **DO NOT CLICK** on any suspicious links.
- **Never share your online banking credentials or One-Time Passwords (OTPs) with anyone.**

Our bank does not request sensitive information such as passwords or OTPs via SMS or unverified links. If you have received such a message or suspect fraudulent activity, please contact our Customer Care team immediately.

**Customer Support:** 404 4999

**Email:** [customercare@sbimauritius.com](mailto:customercare@sbimauritius.com)

For best security practices, kindly visit our website <https://mu.statebank>

**Your safety is our top priority.**
