DEPOSIT ACCOUNTS

GENERAL NOTES

Accounts can be opened in the major currencies (USD, EUR, GBP, AUD, ZAR, etc.)

For accounts maintained in currencies other than that of charges, the equivalent amount at prevailing rates will apply.

Payments shall be effected out of balances consisting of cleared funds only.

Interest will accrue on daily value dated balances provided that the minimum balance as stipulated above is maintained. Interest rates will depend on size of deposits, international market rates prevailing on start date of deposit and for Term Deposits on period of deposit.

For Term Deposits, prepayment may be effected before maturity at the discretion of the Bank. For such cases, Interest Payable will be at the rate applicable for the period, deposit has actually run less unwinding cost at prevailing rate.

For accounts maintained in MUR, local retail banking charges shall be applied. Please refer to the tariff schedule applicable to Retail Department.

In case the account shows NIL balance for a consecutive period of 3 months, the Bank shall have the discretion to close the Account without any prior notice.

Withdrawal/ remittances on maturity are subject to charges as detailed separately.
